

Hygienic Sliding Doors

Sliding Action - Seamless Molded Fiberglass
Non Fire Rated, Manual & Automatic

YOUR TRUSTED PARTNER FOR COMPLETE ACCESS SOLUTIONS

Dortek doors are specialist hygienic doors of high quality, robust construction which are designed to deliver real value and reinforce hygiene in all environments where infection control is critical.

We are market specialists; with over 45 years' experience in providing high performance door solutions to the world's leading pharmaceutical, food and healthcare companies. We take responsibility for the overall planning and co-ordination of projects in order to deliver a complete solution.

As a leading single source supplier, we can satisfy diverse customer needs, offering you the benefits of our extensive manufacturing capability, technical expertise and innovative product solutions. Our systems are designed to solve problems and to ultimately save our clients time and money.

All Dortek products can be supplied as fully finished doorsets with the door leaf, frame and hardware for a complete, factory made assembly designed to meet your exacting performance requirements.

ULTRA CLEAN

Completely smooth and seamless gelcoat finish which is non porous and non shedding. Free from organic materials, ledges, recesses or right angles, for flawless hygiene.

OPTIMUM PERFORMANCE

Proven to maximise efficiency, safety and hygiene in the most demanding environments. These doors will not rot, rust, swell, warp or corrode. Designed to meet FDA and cGM requirements.

EXTREME DURABILITY

Exceptionally strong, lightweight and impact resistant. These doors outperform wood and steel alternatives, bringing you a lifetime of durability and the ultimate cost-effective solution.

100% WATERPROOF

Inorganic closed cell core which does not corrode or absorb moisture. Remains unaffected from exposure to water, steam and chlorine; even after decades of use.

SUPER CHEMICAL RESISTANT

Smooth, sealed, non absorbent surface which is easy to clean. Excellent resistance to most disinfectants, solvents and strong chemicals, including H2O2.

UNCOMPROMISING QUALITY

Engineered to offer supreme quality and reliability. We can offer up to a 25 year guarantee on our doorblades.*

COMPLETE TURNKEY SYSTEM

Dortek provides complete access solutions which are individually-crafted to meet your specification.

We offer a choice of colored door panels, frames, hardware, vision panels, access controls, automations and interlocking. automations and interlocking.

TECHNICAL FEATURES

DOORLEAF

Seamless fiberglass encapsulating a non-organic, high density polyisocyanurate foam core

Total thickness 1.57" (40mm) or 1.75" (44mm)

SIZES

Molded in 11 standard widths and four heights. Also available for special order in any non-standard height

FRAMES

Available in 4 frame types: FRP, SS, Aluminium or Powder Coated Steel

- Seamless glass fiber reinforced polyester with insert for screw fixing direct to structure
- Satin anodised or powder coated white adjust-able width aluminium frame, incorporating a neoprene seal for screw fixing to a sub frame
- Alternative stainless steel frames for fixing to installation panel and block work. Doors can be supplied for fixing to clients' own frames

RAIL SYSTEM

Aluminium track with nylon bearings for smooth operation covered by aluminium or stainless steel canopy. The door is guided by a roller fitted to the floor, which does not construct the opening.

FINISH

- Easy to clean, maintenance free, smooth, non porous, gelcoat surface with built-in choice of 20 colors
- Designed to withstand all typical cleaning methods including hydrogen peroxide

OPTIONS

- Factory-fitted hardware and door protection
- 20ga stainless steel edge protection
- Flush vision panels with integral blinds, smart glass or x-ray and laser protection
- Automations & Interlocking.
